Knowledge Base

Can I use KeyControl 25/49/61 XT with an Apple iPad / iPhone?

original release: *2012-12-13* | ID: *KB00110EN*

KeyControl 25 XT , KeyControl 49 XT and KeyControl 61 XT are fully class-compliant devices and as such they can be used with Apple's iPad / iPhone using the so-called camera connection adapter. We only recommend to use the original adapter manufactured by Apple.
