Can I connect a headphone to Juli@ / Juli@ XTe?

original release: *2012-05-12* | ID: *KB00057EN*

Juli@ / Juli@ XTe provides analog line level inputs and outputs with +4dBu and -10dBV signal level. To connect a headphone to Juli@ / Juli@ XTe, you need an additional headphone amplifier or a mixing desk with an integrated headphone output.
