version: 1.0.10 | date: 2009-12-15 | filename: MIDIMATE-v1_010.zip | product: MIDIMATE

MIDIMATE (Revision B, from 2007)

Please note that this driver can **only** be used with Revision B of MIDIMATE (selling since 2007) as cable with blue color. Use this driver if your MIDIMATE looks like this:

Do not use it if it looks like this - the driver will not install:

Also this driver cannot be used with MIDIMATE II (as MIDIMATE II works without any driver). Check this article for more details about the different products.
